MEMO TO: D. J. Emery
CC: D. Cooper; J. S. McAlpine; S. E. El-Alfy
FROM: K. Blower
DATE: March 31, 1988
SUBJECT: ENTERPRISE LEASE AND BUILDING PURCHASE

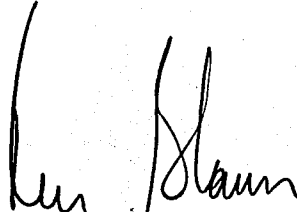

I checked with our office in Toronto today (Diane Webb) regarding the documents sent last month to Tilley, Carson and there was no evidence of them.

Neither Andy Skinner nor Ed Merringer were available to provide information on the documents.

Accordingly, I authorized Yellowknife staff to dismantle, move and reassemble the building at the T.R.P. site to take advantage of a \$6,000 savings by doing the project while the contractor is mobilized at our construction site.

If you receive the documents before I return to Toronto would you kindly expedite.

Thanks.

Ken Blower
