Dear Mr. Witteman:

RE: WATER LICENCE N1L2-0043 - REQUEST FOR TAC MEETING

Royal Oak Mines Inc. is requesting the opportunity to meet with the Board's Technical Advisory Committee to provide an update on the progress regarding the Arsenic Storage Vault Study. As you are aware, Mr. Fred Matich of MAJM Corporation Ltd has been commissioned to overlook this study.

The TAC meeting would primarily be an information session, updating members on this years progress and the plans for the upcoming year. Mr. Matich as well as a number of Royal Oak representatives will be attending the meeting.

It is requested that the meeting be held during the week December 13 - 15th, with December 14th being the best date for our people.

⊗ [DEC. 14 confirmed]

Your assistance in this matter would be greatly appreciated. I look forward to a confirmation date. Should you have any questions feel free to contact me at 873-6301, ext 136.

Yours sincerely,

Erik Madsen
