Subject: **Proposed Study - Giant Mine Site Assessment and Cost Estimate**

Five proposals were reviewed with respect to the proposed Giant Mine site assessment and cost estimate study. Based upon these proposals, a contract will now be awarded to the cooperative venture between Deton'Cho Corporation, EBA Engineering and Vista Engineering, under the auspices of the Deton'Cho Environmental Alliance.

I will be contacting Steven Shultz to arrange access to the Giant Mine property once the contract has been approved and signed.
